

## Data Storage Consent

EU General Data Protection Regulation (GDPR) impacts any and all businesses that store personal information about EU citizens. This means that Aintree Group must adhere to special requirements for EU clients.

One key element of the GDPR is obtaining consent for the processing of personal data for one or more specific purposes. Consent must be freely given, specific and informed. If the individual is below 16 years of age, then their parent's consent must be given.

As your tax agent, we are required to obtain and hold personal data to complete accounting and other business matters on your behalf. This personal data includes, but is not limited to:

- Personal email address, phone numbers and birth dates.
- Postal, residential and work addresses.
- Tax File Numbers.
- Personal and business bank details.

We may be required, as part of our duties as your tax agent, to disclose your personal data to third parties such as the Australian Taxation Office.

If you have read and understood all the above details surrounding the storage of your personal data, please sign and date the form below and return to our office at:
